College of Prayer
Module V

~Lord, as Local Churches,
Teach Us to Pray!~

with
David Chotka
& Mike Plunket

March 23-25, 2017

New York City and the surrounding region are desperately in need of a move of God today. The level of desperation has been increasing for years and a prayer movement has been birthed in the region. This prayer movement is wide and diverse. On March 23-25, 2017, we will be holding our fifth module at the campus of the College of Prayer serving New York City (Queens), which will add greater depth to this prayer movement.

The College of Prayer has a vision to mentor, train, and equip Christian pastors and leaders to reach a lost world through a revived church. We believe that prayer is not the latest church growth program; rather, it is a way of life. God is pouring out His Spirit to revive His Church all over the world. He is calling His Church to be a house of prayer for all nations.

The College of Prayer in NYC will accomplish this task by focusing on encountering God and equipping people. Each session will have an element of encountering God through extended, high worship, Spirit-led prayer, and anointed teaching.

We hope you will join us as we focus our launch on reviving a lifestyle of prayer by asking, "Lord, teach us to pray!" Whether you are just learning to pray that prayer or whether you have been praying it for years, you will walk away renewed and empowered.

The primary presenter will be Dr. David Chotka, author of the book *Power Praying: Hearing Jesus' Spirit by Praying Jesus' Prayer*. He is also Lead Pastor of Heritage Park Alliance Church in Windsor, Ontario, Canada and has served as the Director of Alliance Pray, the prayer mobilization team of the Christian & Missionary Alliance of Canada.

Dr. Mike Plunket will also present. Mike is the Senior Pastor at Risen King Alliance Church in New City, New York. He is also an Adjunct Professor in the Pastoral Ministry Department at Nyack College and Alliance Theological Seminary where he earned his Doctorate of Ministry [DMin].
