Father God, forgive me for my sin of prayerlessness. I humble myself before you and confess my root sins of pride, unbelief, and idolatry. Today I receive your forgiveness in the name of the Lord Jesus Christ.

What is more, Lord, I reject my own sense of discouragement and hopelessness about prayer. I renounce any and all efforts of the enemy to hinder my prayer life in Jesus' name. I am assured, Lord Jesus, that you will lift me up.

I also ask that you fill me with your love for others, so that I may pray with love for them. And I invite the Holy Spirit to enable me to pray. Father God, take control of my prayer life, and activate the full prayer life of the Lord Jesus Christ in and through me. Amen.

Let's turn from prayerlessness to _____!
